Review Scholarship Application

Maria has done a great job establishing the application. Jena, Tim, and Angie will look for more information while at the State meetings at the end of the month.

Review Contracts

Concession and bathroom contracts have been sent out for review. The umpire contracts are still in the preparation stages. Most other contracts have already been reviewed and are awaiting signature.

Review 2008 & 2009 Budgets

Final budgets will be available soon; Jena is still waiting on a few items to be finalized before finishing the budget. Once completed the budget will be available for review in the softball office during business hours.

Easter Egg Hunt

Easter Egg Hunt will be April 5th. We are in need of more plastic eggs; Hobby Lobby ran out last year and did not have any to donate. Chuck Clark has donated jellybeans. More information to follow.

Open Discussion

Steve Riswald is the new State UIC and Brett Distal has been appointed as the West River UIC. There are many rules up for review and a new men's ball may be selected for the 2009 season, this will be confirmed at the State meeting on January 31st.

Respectfully submitted,
Angie Boeve,
RCSA Board Secretary.
